

distanstest – English user guide

When you buy **distanstest** from your driving school you receive a paper (computer generated from a database) with user information, codes and basics regarding how to use the test. That information is in Swedish. Below you can see a version translated into English.

distanstest

Go to the Internet-address

www.korkort.com/distanstest

At the website you can find all the information you need.

Computer requirements

- * PC: Internet Explorer 5.0 eller Netscape 4.5
- * Macintosh: Internet Explorer 4.5
